Our Behind the Scenes Tour

**Monday 20th & 27th September
Tuesday 21st & 28th September
Wednesday 22nd & 29th September**

Access all areas!

You will be guided around our site,
and your tour will include a visit to the abattoir.
For many people, this is the most interesting part of their
trip behind the scenes.

On Mondays and Tuesdays,
the abattoir is not working. However,
those who take the tour with us on Wednesdays
will, if they so wish, have the opportunity to view the
slaughterhouse in operation.

Those visitors who do not want to visit the abattoir
will move on to the next stage of the tour.

For safety reasons, places are strictly limited so book now.
